

Workshops: Some observations

Tracey Burns

Oslo, 15 May 2014

Workshops

- 8 workshops
- 28 presenters; 9 countries
- Workshops covered **practice** and policy on:
 - Local level
 - National level
 - International level

Overarching Themes

1) Good news: Demand is there

- Sweden: website 65 000 visitors/month; 70 000 copies of book published
- England: 50% of schools consult EEF toolkit

Overarching Themes

2) However no easy answers:

- Concept of knowledge
- Context matters
- Pay attention to process
 - aligning interests
 - mainstreaming
 - trust and partnerships

Overarching Themes

3) Unintended consequences

- Accountability frameworks
 - drives engagement, but by whom?
 - policy consequences; trade offs
 - need long-term thinking
 - impact evaluation (short or long term)?
- Do we know about what works in [brokerage]?

Next steps

4) Reframing

- Levels, contexts
- Definition of needs
- No one single model

Identifying key leverage points?

- Leaders, crisis
- Teacher ed
